Riesling 2007

“Goes great with Mrs. McGregor’s Carrot cake.” 5 stars - Peter Rabbit.

“Land that was once a Central Otago high country sheep station is now a flourishing vineyard. Sheep and Rabbits co-existed on the land for quite some time but the sheep couldn’t keep up with the nocturnal activity of the Rabbits and in the end were driven off the ranch— they were last seen heading north. The owner of the Rabbit Ranch – Mr. McGregor planted some vines and tried unsuccessfully to reduce the Rabbit population. Some of the rabbits on the vineyard are so big they are reputed to eat Riesling vines whole, but that’s another story...”
